Waiting For You Greeting Cards Proudly Announces New Arrivals for 2006

BATH, PA (March, 2006) – Partners Candace Dew and Nancy Boller are excited to present to you the Spring Arrivals of Waiting For You Greeting Cards. Many of the new designs feature their own grandchildren.

This unique concept inspired as Dew searched for a greeting card to send to her much anticipated unborn grandchild became even more meaningful when Boller found she also was about to become a grandmother. These high quality, full color photographic greeting cards with unique captions celebrate pregnancy and birth like no other.

The concept quickly expanded into additional card lines offering special occasion cards, Beach Babies, and new original designs featuring their own grandchildren. In addition to cards expressing well wishes to unborn babies, new babies, parents-to-be, big brothers and big sisters, these NEW ARRIVALS introduce NEW PARENT, PREEMIES, and ADOPTION themed cards.

The company's line of 4 ¼" x 6" greeting cards come store packaged in individual clear bags to avoid shop wear and are paired with vibrant-colored envelopes. The cards retail for \$3.25 each. There are several packages to choose from starting at \$74.00. An introductory package which includes a counter card rack is also available.
